

NEW! SELF-CLEANING WATER TRAP

The new water trap is self-cleaning and has a high capacity of 0.4–0.6 l/sec depending on the outlet unit used. So, it is more than sufficient for everyday needs, while effectively washing away hair, dirt and soap. The trap helps prevent potential causes of customer complaints.

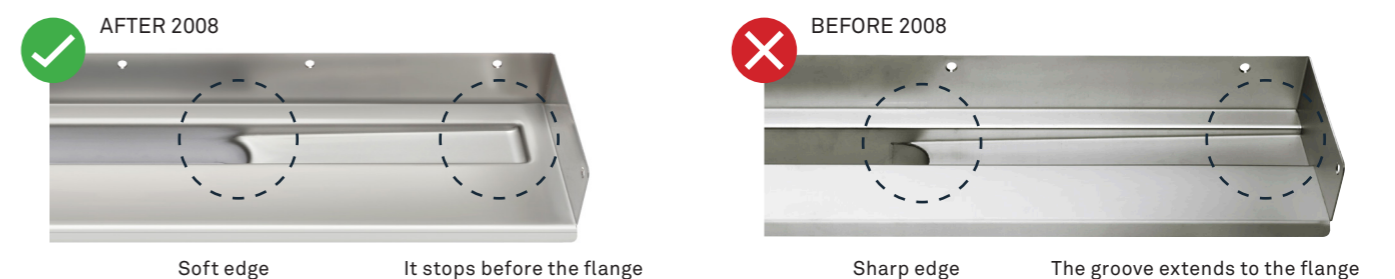

Your customers avoid nuisance odour and they don't have to keep cleaning the trap all the time.

MARKING CLEARLY SHOWS THE DIRECTION OF INSTALLATION FOR THE TRAP

FITS IN ALL DRAIN UNITS AFTER 2008

NEW! 1820.0080

- Specially developed for Unidrain line drains
- High capacity of 0.4–0.6 l/s depending on the outlet unit used
- Easy to install: The protruding ends ensure that the trap sits completely level in the unit
