

5117.1000

GlassLine | Shower screen | Black frame | 5117

Design: Transparent glass with black frame.

10 mm safety glass.

No visible screws or fittings in the finished result.

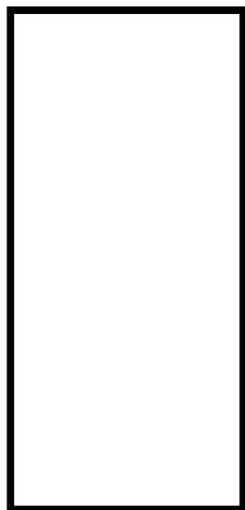

The glass surface is treated with Cleantec nanotechnology, making it water-repellent, less susceptible to limescale and easier to clean.

The solution fits tile thicknesses up to 15 mm for wall tiles and up to 20 mm for floor tiles.

Specifications

ITEM NUMBER 5117.1000	GTIN NUMBER 5707692013015	WEIGHT INCLUDING PACKAGING 66000 g
